

REFER -A- FRIEND

REFER -A- FRIEND TO NEW DAY ADULT CARE CENTER AND RECEIVE A SPECIAL “THANK YOU”

1. We'll help your friend by waiving their application fee (a \$55.00 savings).
2. When the person officially enrolls and attends the program at New Day we'll give you **one week of attendance free***.

Why refer a friend?

Because we all know someone, whether it's a friend, family member, or co-worker, who is caring for someone who shouldn't be alone during the day or who just need time off from being a caregiver.

When will I get my “thank you?”

In the next billing cycle after your friend enroll and attends the program, you will receive a credit on your bill.

What if I refer several friends?

You will receive a free week for every person you refer that enrolls and attends in the program.

Direct all questions regarding this incentive program to Julie at (561) 844-0012.

* The free week of attendance is for one participant for their regularly scheduled days for a Monday through Friday week. For example, if the participant attends Monday, Wednesday, and Friday, they will receive three free days.
