Faith is excited to once again be hosting Bible Study Fellowship. This year's study, ***Romans: From Guilt to Grace*** provides a deep and compelling examination of Christ's sacrificial work on behalf of sinners. Paul's letter unpacks the high cost of sin and God's solution in a way that reveals God's gracious heart and the eternal hope available to humanity. When believed and applied, the doctrinal truths of Romans revolutionize how we view sin, failure, judgment, and one another in this fallen world. This study has the potential to transform thinking, anchor belief, and reorder life's priorities. Join us on the road!

Summer Book Study

Revolution: The Birth of the Greatest Nation in the History of the World

Carri and Mark Leininger are hosting a Summer Book Study. In honor of our country's 250th birthday, we are reading *Revolution: The Birth of the Greatest Nation in the History of the World*. The book is full of amazing stories surrounding the birth of our nation.

Below is a quote from the Baltimore Sun about the book.

“Once upon a time there was a REVOLUTION.”

There's never been a nation like the United States of America. It's impossible to imagine the world without it—but do you know the wild and true story of how it came into existence?

On our 250th anniversary, the hunger for America's story has never been greater.

Who better to tell it than historian Eric Metaxas, author of seven *New York Times* bestsellers, including the ground-breaking, million-selling biography of Dietrich Bonhoeffer?

The study is held every Thursday through August 20, from 6-7:30 at the Leininger Home, 11923 Lake Shore Place, in North Palm Beach. They are located in the Hidden Key neighborhood, which is near the intersection of US-1 and PGA Boulevard. Please text Carri if plan on attending, 561-722-4988. If you have any questions, please feel free to call or text Carri or Mark: 561-722-4994.

The book is back-ordered on Amazon. The audio version is available free on Amazon with a Prime membership. It is also available on Barnes & Noble.

Faith's Book Club August Book of the Month

Daughter of Moloka'i
by Alan Brennert

Date: Monday, August 17th / **Dinner:** Rice & Noodles (PBG) / **Book Discussion:** Church conference room

Moloka'i, tells the story of Ruth, the daughter that Rachel Kalama—quarantined for most of her life at the isolated leprosy settlement of Kalaupapa—was forced to give up at birth.

The book follows young Ruth from her arrival at the Kapi'olani Home for Girls in Honolulu, to her adoption by a Japanese couple who raise her on a strawberry and grape farm in California, her marriage and unjust internment at Manzanar Relocation Camp during World War II—and then, after the war, to the life-altering day when she receives a letter from a woman who says she is Ruth's birth mother, Rachel.

Daughter of Moloka'i expands upon Ruth and Rachel's 22-year relationship, only hinted at in *Moloka'i*. It's a richly emotional tale of two women—different in some ways, similar in others—who never expected to meet, much less come to love, one another. And for Ruth it is a story of discovery, the unfolding of a past she knew nothing about. Told in vivid, evocative prose that conjures up the beauty and history of both Hawaiian and Japanese cultures, it's the powerful and poignant tale that readers of *Moloka'i* have been awaiting for fifteen years.
